Notes:					
<ol style="list-style-type: none"> 1. Win NT, Win ME, and Linux (Red Hat 7.0) drivers are normally not included in the package, unless requested at the time of placing order. It can, however, be downloaded for free. 2. Windows drivers are normally not included with the USB-M model, but those drivers are available for free download. Extra charge is required for including Windows driver diskettes. 					
This information is updated on February 1st, 2003.					

KTMT-1214-XXX (for 12-14" notebook)

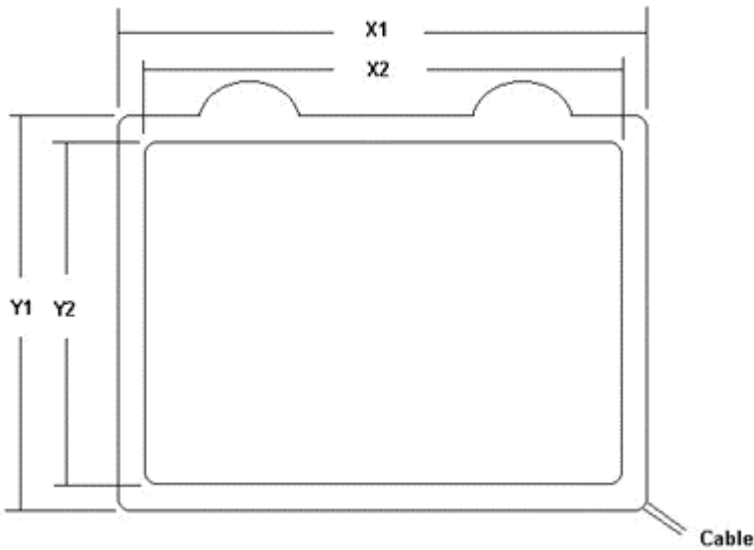

X1 x Y1: Frame size includes the tail and connector.
